International Market Positioning & Pricing Assessment

ELISABETTA GALLI

Artistic Identity: SUBLIMATERIA

ADOPTED COEFFICIENT: 0.55

Reference Period: 16 June 2026 – 15 June 2027

Executive Summary

The SUBLIMATERIA project demonstrates a coherent and recognizable artistic language centered on transformation, memory, resilience and regeneration. Through the use of reclaimed materials, sculptural surfaces and symbolic interventions, Elisabetta Galli has developed a distinctive visual identity positioned between painting, relief and object-based practice.

Artist Profile

Born in Venice in 1957, Elisabetta Galli entered artistic practice after an extensive international career in clinical psychology, executive coaching and leadership development. This background provides a strong conceptual foundation for the themes explored within SUBLIMATERIA.

Curatorial Assessment

The strongest aspect of the project lies in the alignment between process and meaning. Fracture, repair, erosion, layering and reconstruction are not decorative effects but visual metaphors for personal and collective transformation. The recurring use of gold leaf functions as a symbol of emergence, healing and renewed possibility.

Research Lines

Major bodies of work include FRACTURA, SIGHTS FROM THE HELL, SYNTROPY, ENTANGLEMENT, FRAGMENTS, BACKSTAGE and ALETHEIA. Together they establish a consistent narrative around interconnectedness, memory, truth, systems thinking and regeneration.

Professional Positioning

SUBLIMATERIA is assessed as an emerging yet structured artistic project with medium-high language recognizability, high conceptual coherence, strong development potential and growing professional visibility. The project already demonstrates characteristics that support long-term market consolidation.

Coefficient Determination

The coefficient 0.55 reflects a measured progression beyond previously documented pricing levels. It recognizes the maturity of the artistic identity, the expansion of the body of work, exhibition activity and professional presentation while maintaining sustainable market positioning.

Indicative Pricing Formula

Indicative Price = (Width in cm + Height in cm) × 0.55 × 10

Selected Reference Prices

20×20 cm €250 30×40 cm €390 50×50 cm €550 60×80 cm €770 80×100 cm €990 100×120 cm €1,200

Professional Conclusion

As of 16 June 2026, Elisabetta Galli / SUBLIMATERIA is positioned as an emerging artist with a structured and recognizable project identity, strong narrative consistency, growing exhibition presence and significant development potential. The adopted coefficient of 0.55 is considered consistent with the current market position and suitable for disciplined international application.
